# Problem Statement

Publication of sponsoring LIR only applies to RIPE assignments

Good idea to align RIPE policies and Legacy Resource policies

Problem realised before 2012-07 and 2012-08 went into last call

Fixing this at the time would have caused problems

Simpler to wait until both proposals were through, then fix

Both proposals passed, so it's time to fix the policy

## Proposal 2014-06

Legacy resources are subject to the RIPE community policy, "Publication of Sponsoring LIR for Independent Resources".

## Current Status

Plenty of support on working

NCC Impact Analysis suggests  
low impact
