# Booter

# Stresser

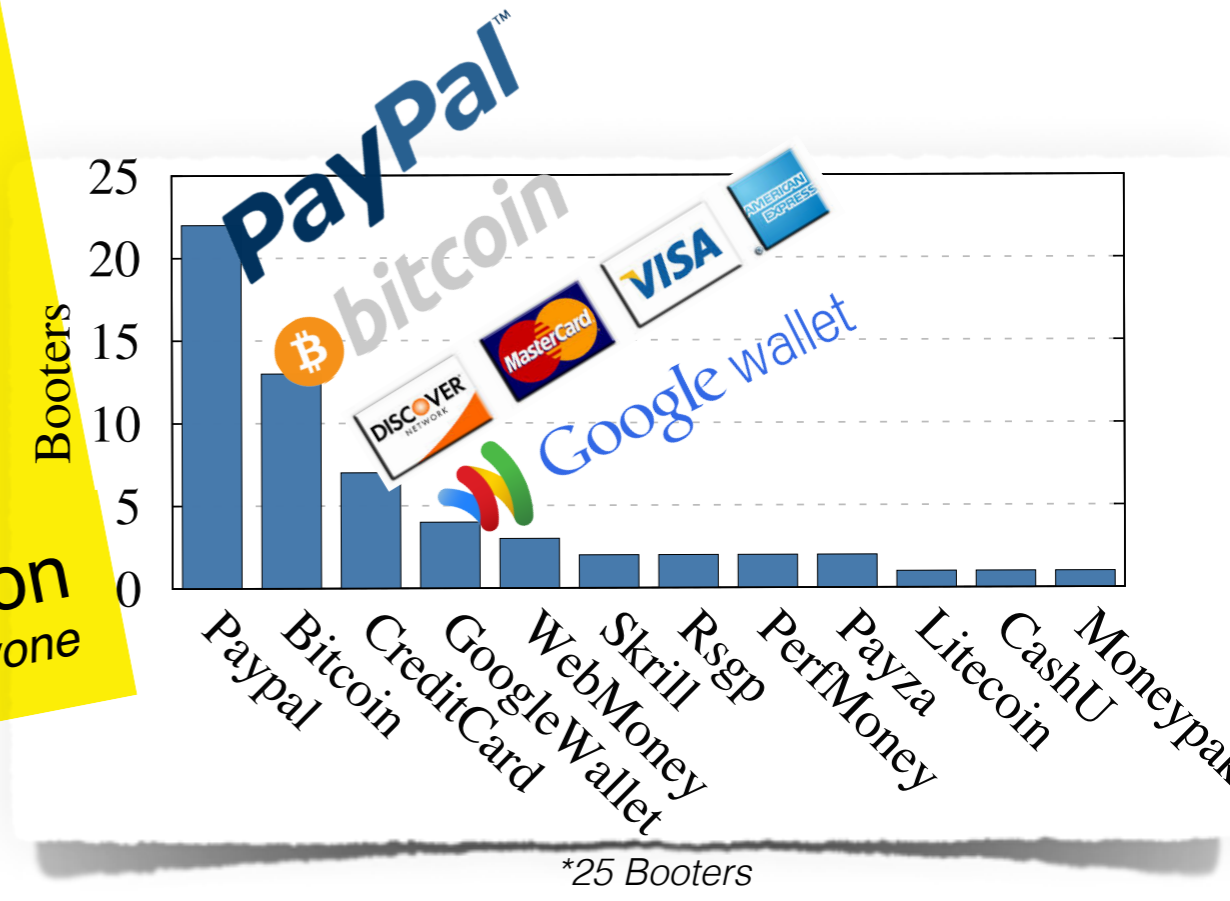

# DDoS Attack FOR DUMMIES

The DDoS-as-a-Service Phenomenon  
Less than 5 Dollars to attack everyone

# \$5

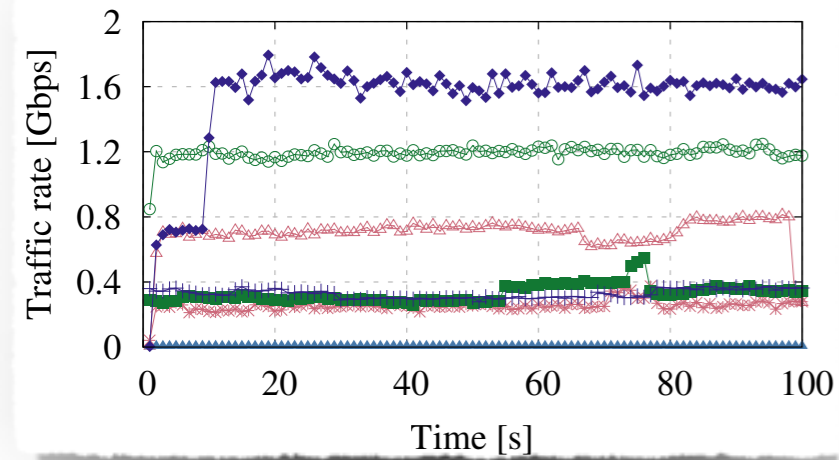

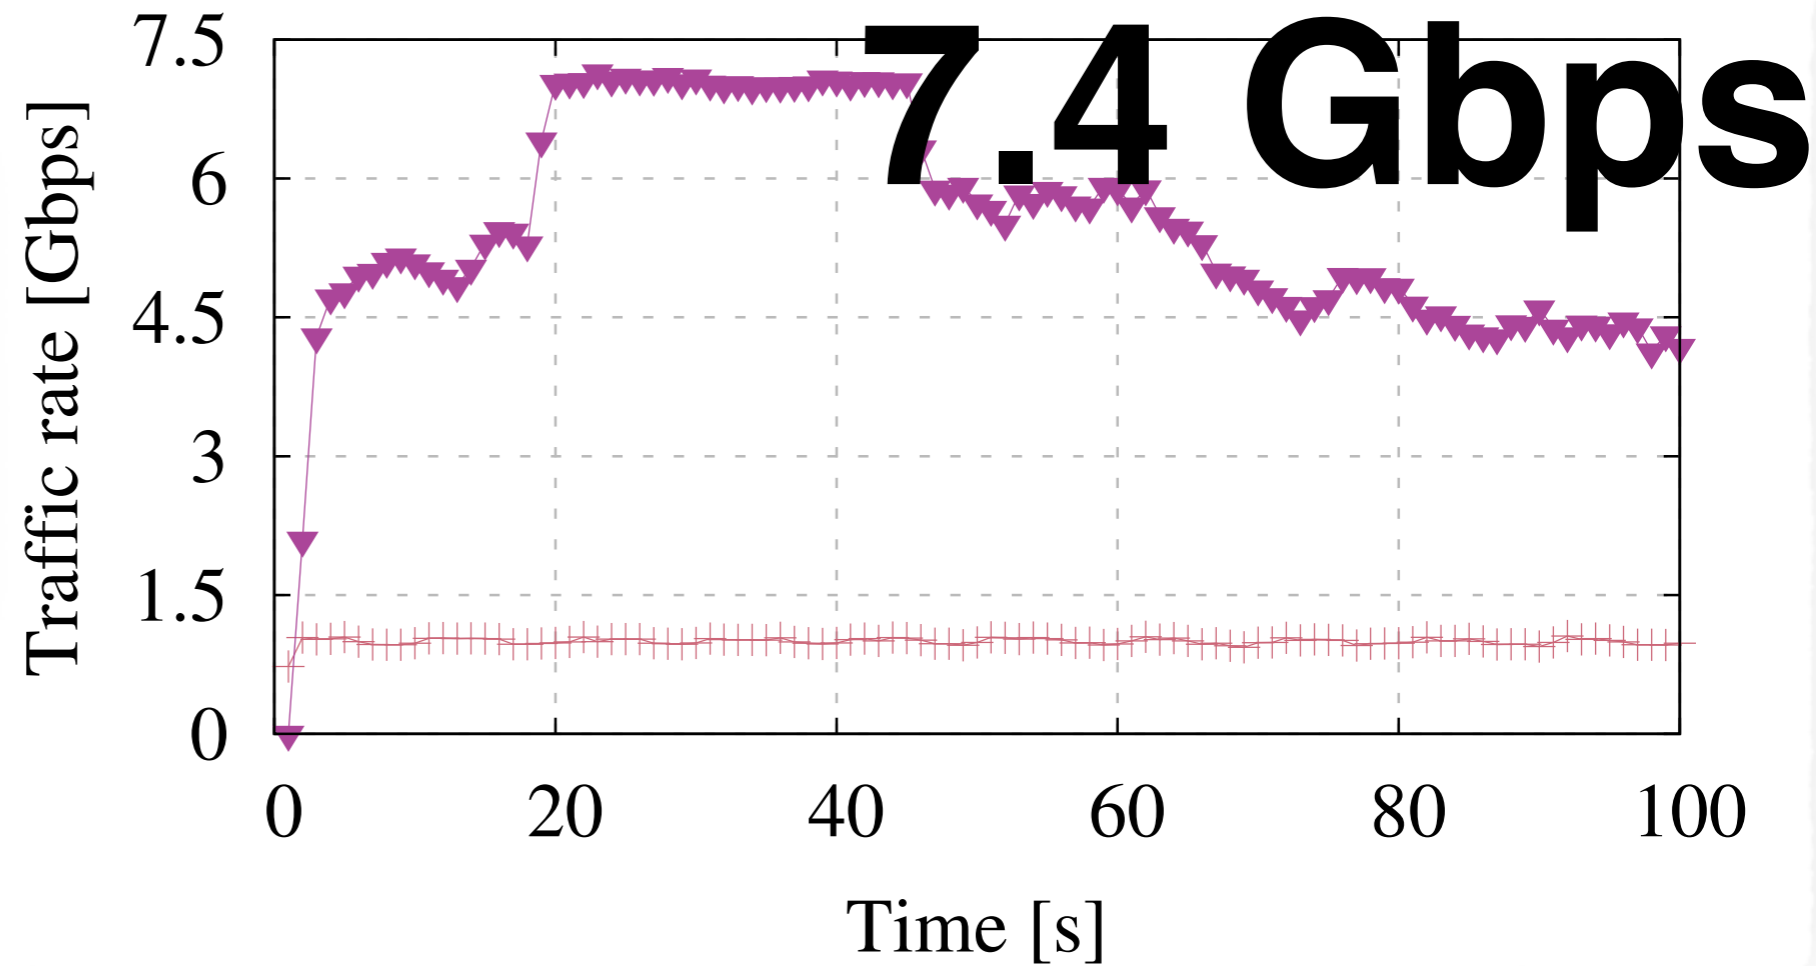

As many attacks as you want until  
your **attack plan** expires.

# 14 Booters [UDP attacks]

## DNS-based

## CharGen-based

# 50 Gbps!

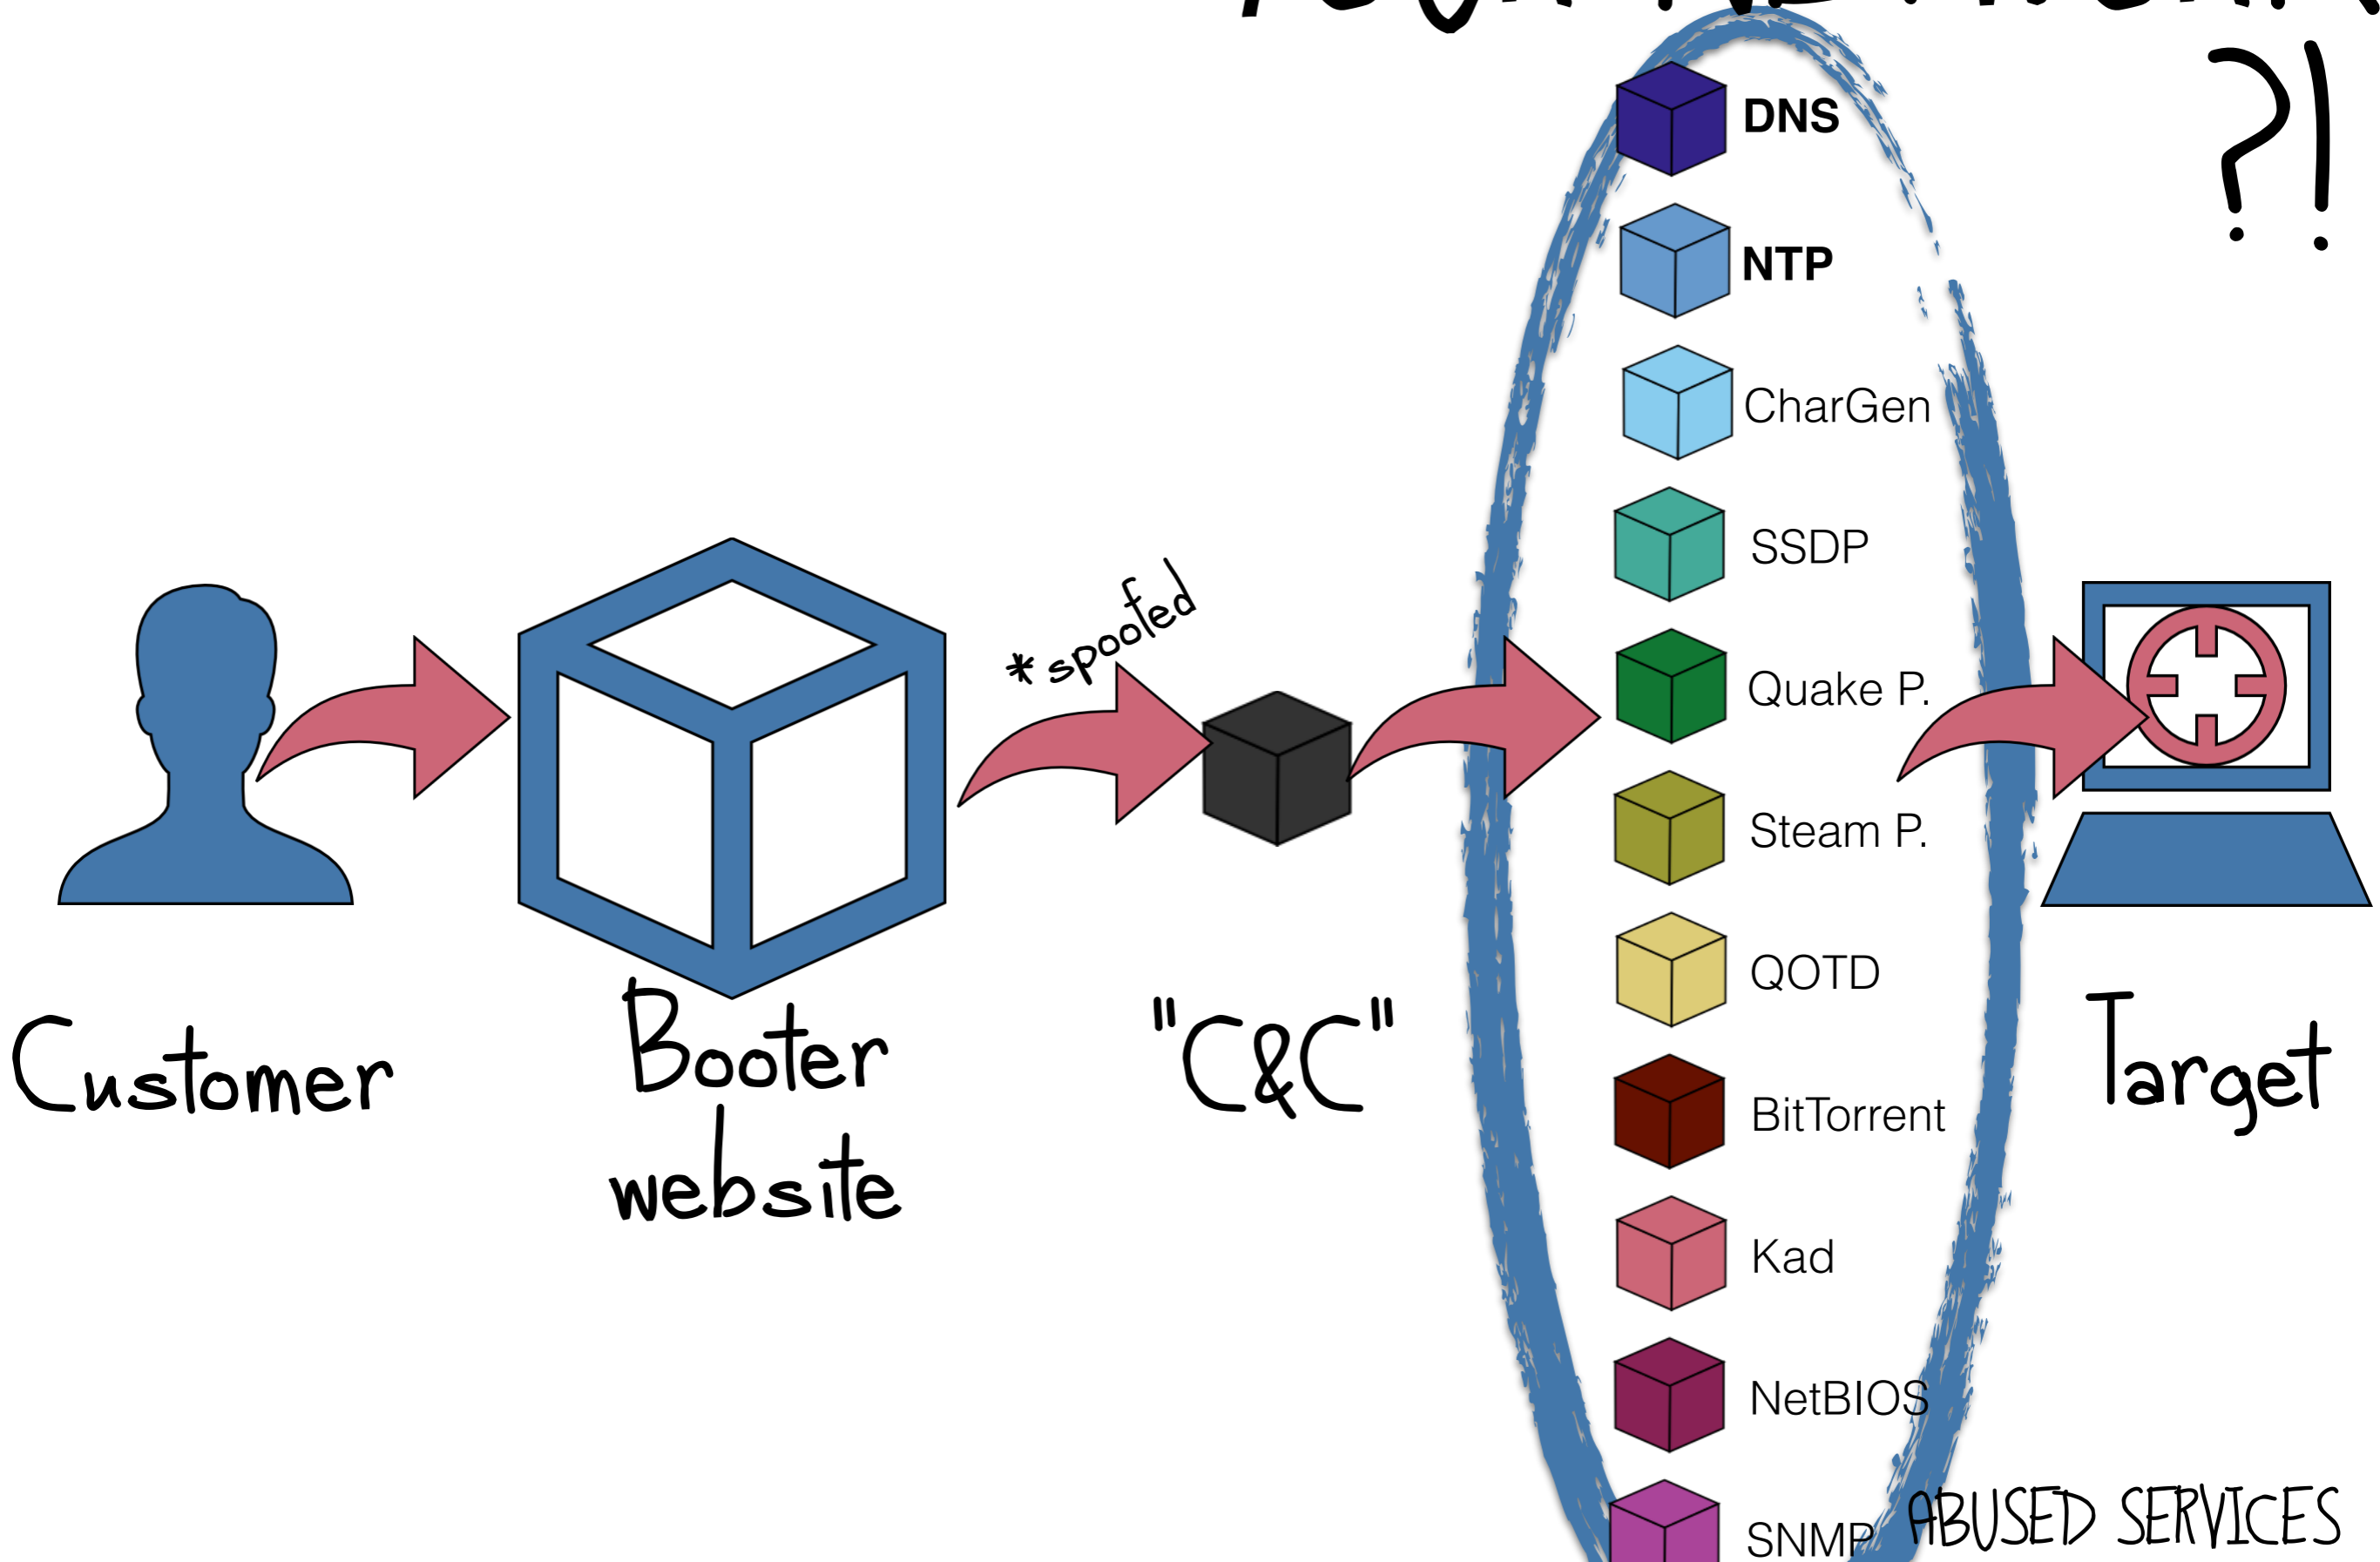

end potential to be far worse than that.

mitigation?

**yes, WE can!**

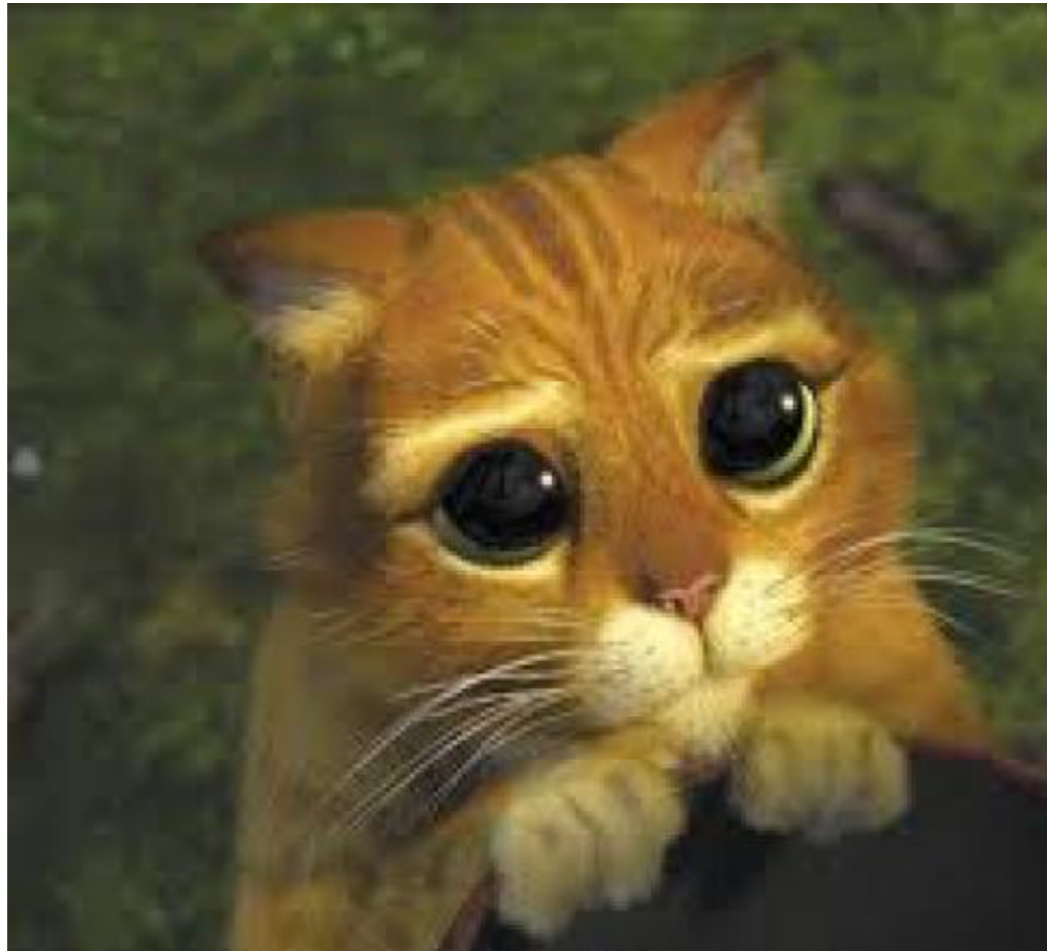

# YOUR NETWORK ?!

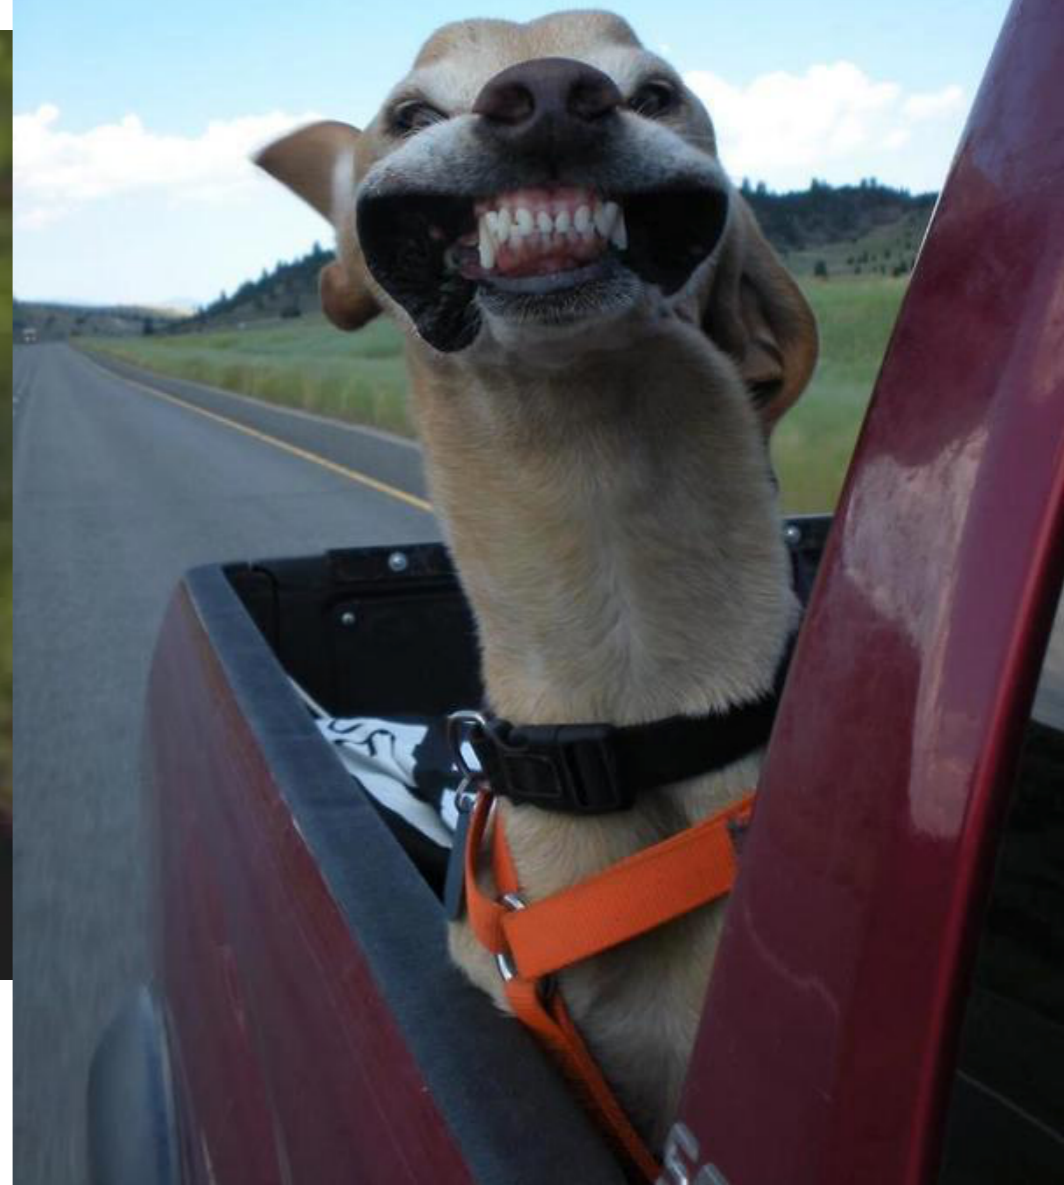

**Please!?**

**Thanks!**
